Hey pap,
I really miss you. I'm really having a hard time since you been gone. You were like a dad to me not just my pap you meant so much to me and still do forever you will always mean alot to me. It's not the same anymore here with you gone. I just want to remind everyone how great of a person you were you lived life to the fullest everyday, you never let anything get in your way, you gave life a different meaning. No matter how bad you felt or what obstacles got in your way you always made sure to make the best of each moment and you always made sure gram was happy im sure you are watching gram and protecting her like you always did. You would always make people laugh or smile and if they didn't you would still go out of your way for them. Pap you are my hero in so many ways. You taught me so much even when you didn't think i was listening or paying attention i was and I'll always remember everything you have said and taught me and ill pass it down so your memories will always last for lifetimes to come. Pap i can't say goodbye i don't want it to be goodbye so ill talk to you each day and night forever. I hope you made an impact on more people like you did me. Good night.

I still remember Uncle Mike in the body cast back when I was in 3rd grade. Most people would have never walked after that but he was determined! He was the strongest, “half glass Full” person that I know! Quite the Inspiration to remind us to not sweat the small stuff as it’s not the worse that could happen so Appreciate what we have and know that it’s Enough❤️
