My condolences to the family. Mary will be fondly remembered as "Mrs. Phil" by a core group of us in Phil's class that spent a good amount of time at the Brossman household. She could always be seen at various sporting events to watch and support all the boys... a great Mother to all!

My deepest sympathy,

Dear Rob, Phil, Mike & Mark,

The first time I met your Mom was during the holidays, after skating. Santa Claus was there (...yes, he really was) everyone was having a great time. The twins were sweet little babies, Phil was just adorable and of course Rob was 'the bomb! In spite of all these cute boys, I was immediately drawn to your Mom's charisma. She was fun!!.... full of laughter and enjoyed her family immensely....a gal after my own heart. After that, we shared hundreds of hours at Wheeling Park Ice Rink. I coached Mike & Mark as mites for several years and then spent time watching all of you throughout the years, standing by her side, talking - laughing and side line coaching- on the very cold ramp...learning to be a real hockey Mom. Several years ago I had the pleasure of watching one more game with Mrs. Brossman, Mike or Mark were playing adult league and I thought to myself, "where has time gone?? I am older now than she was when we first met" I am so happy she was a part of my life, even if just a little hockey sliver. What a wonderful lady who I adored, she certainly left her footprints on my heart! You guys keep your chins up, you never stop missing your Mom. Your families are in my prayers.

Much Love, Becky Shilling-Rodocker (Scott, Caitlin and Shilling)

Mike, Mark & family,
I am so sorry to hear of your mom's passing. She was a wonderful woman who always had a smile on her face. I remember so many gatherings at Steenrod and she was so friendly. I know the heartache of losing a mom and it is one of the hardest things I have ever had to do. You all are in my thoughts and prayers.
