“ Breigh, Brooke and family, I am so sorry for the loss of your mom and my cousin. She was a beautiful woman who raised two beautiful girls. She can now be free of pain and always be your guardian angel and forever etched in your heart and soul. She was always there for my Mom and Sister and I will always be forever grateful. May she rest in peace and please know that I am thinking of you during this very difficult time. Love you two!! Love, Karen McDowell Cecil and family.

“ Hard to believe all of my sister's friends from back when I was known as Susie Knapp's little brother more than by my actual name who have left this world too soon. So sad to see now Debbie has been added to the list. My thoughts and sympathy go out to her family and many friends, and I hope Debbie got the most out of her time on this earth.
