“ I was lucky to have you as my brother-in-law for over 40 years. I will cherish the good times our families spent together going to Ocean City Maryland, Dorney Park and Gettysburg. My favorite memories are from our Thanksgiving Day gatherings. Great food, good jokes and hours of laughter. We will continue to celebrate your life and be comforted by the joy you added to our lives.

Love,

Ellen

“ It was an honor being your sister. I will forever treasure our shared memories (both happy and sad). You were a true warrior Don! You gave it your all. I refuse to think of this as a goodbye, but rather until later. I look forward to our reunion one day. A piece of my heart went with you on Tuesday. I know you will continue guiding us with your ever present love. Love you forever and always, your baby sister, Pam <3

“ Don, I feel honored and blessed to have had you in my life for the past 44 years (42 married). You have been the best husband, father and grandfather. You lead by example. We have shared so many fun and wonderful times together with family and friends. It will be those memories that will help us through this difficult time. Although my heart breaks, I take comfort knowing that you are in heaven and no longer ill or in pain. Until we meet again... with love, Joyce.
