“ I could share so many stories. This amazing woman was such an influence in my life while we worked together. We were much more than coworkers, she was my friend and I loved her dearly. Sending so many prayers and hugs to her wonderful husband and family.

“ I have so many fond memories of Genie, growing up with Lisa. She was such a wonderful lady, always had a beautiful smile for me and welcomed me to visit. When I think of Genie, I think of Lisa and I riding in the back seat, our mom's in the front, gabbing away. Billy Joel playing in the background, and she always smelled of a pretty perfume, checking to make sure her perfect natural curls were in place in the rear view mirror, and checking to make sure we had our seat belts on. She was like a second mom, and Lisa like a sister to me. It breaks my heart to know how long she suffered from her stroke, but she is finally at peace now and out of pain. I'm sure she is catching up with my mom and they have rekindled their longtime friendship, and are once again gabbing away. May the Lord comfort her family and friends during this difficult time. Much Love
