“ Joe and I played golf together for a few years. Not long enough. Joe was a fine golfer and an even better person. We always had great conversation on the course and I learned a lot from Joe. Golf, business and lots of more important things. In 2018 I had 4 deaths in my family. Piled up really fast. Joe called me consistently just to check in. You have no idea how much I loved and appreciated this great man. Now he is leading in Heaven and watching over us. Thank you Joe for our friendship and all you did for me.
