“ Dear Family of Kathy,
Our hearts are saddened to hear of the passing of your dear Mom, Grandma, Sister, Aunt and so much more. Kathy was a wonderful room mother and grandmother at Sardis Elementary when I was teaching there. She was the kind of woman who could be more than one place at a time. I don't think she knew how to say no. She was so very supportive. Someone once told me when I was grieving that the great loss we feel when losing a loved one, reflects on how great a relationship we have with those who have passed. I have a feeling that you are feeling that at this time. God be with you all as you lay your dear one to rest. Love, Bart and Joyce (Indermuhle) Wiggins

“ I am so saddened by this news. Kathy was a great friend and wonderful playwright and director....putting many hours in with sets and costumes. I was privileged to be one of her cast members in at least 5 plays. A christian lady talented pianist, and exemplary mother and friend. She will surely be missed.
