“ George and Stephen,
I worked with Pat at Reynolds for many years. We had a lot of fun through the years. A lot of memories. After she retired she stayed in touch with me. Pat helped me through a major emotional time in my life when I lost my son. It was Christmas time and I was traveling from North Carolina to West Virginia. I had told her earlier that I was dreading the long trip because I would be thinking of Aaron (my son) while riding in the car. We were leaving at 7:00 am and around 8:00 am my phone rang, and it was Pat. We talked for the longest time and it helped me more than she will ever know to get through the 10-hour trip. My heart goes out to both of you. I will keep you both in my thoughts and prayers.
