“ Me and Becca have been best friends since the 3rd grade. Through out middle school and high school we were inseparable. Since our last names were so close she always sat right behind me in all of our homerooms. We have so many memories I can't just pick one. You will forever be in my heart, even tho you took a piece of my heart with you. You are my best friend, my sister. I love you Boo bear. Ill see you on the other side.

“ Becca was an amazing soul. It hurts my heart to see her go so young ... There was more life for her to live and it makes me so sad she was taken too soon.. Prayers for her baby , and her family. She was a really good person .. not just to me, but to everyone she loved ... until we meet again 🙏

“ I was Rebecca's teacher. I still remember her like it was yesterday. She was such a kind, respectful, intelligent, young lady. I still have some of her assignments to use as examples for my current students. Prayers to her daughter, family, and friends!

“ Becca was one of my best friends, she was always a constant in my life. I don't think we'd ever had a single fight. Becca was easy going, fun, and intelligent. I have so many memories of her, I wish I had as many pictures. When Sky came, she became the best mom. It was like something had just clicked. I remember the day I met Sky, Becca was just so happy. I'm so very sorry to your family, Bex. I miss you so much.

“ On behalf of the team at Hawthorn Suites, and our company, Century Hospitality, I would like to extend our deepest sympathies to Rebecca's family. Rebecca was a very hard worker and truly an asset to our team. She came to work with a smile on her face and a positive attitude and did not ever seem like a stranger to any of us. She will be missed deeply.

If there is anything at all we can do, please do not hesitate to ask. Again, our most heartfelt condolences.
