“ Bob Mull was one of the kindest, gentlest, funniest men I have ever known. I had the pleasure of working with him over the course of many years because of his dedicated service to the Benwood-McMechen United Methodist Church. We shared several wonderful lunches together. Whenever he arrived at my place of employment (a local bank), it was like a ray of sunshine had just walked in the door. His laughter and good cheer were downright infectious. He always reminded me of Santa Claus. Everyone at my bank who came in contact with him, myself included, will always miss him and will treasure our memories of him forever.

“ To the family, Bob gave me my first job after high school in 1966 at Mull Steel Supply. Only worked for 6 mo. before leaving for the USAF. Bob and his Dad Joe gave me some good advice about life and the A.F. My condolences to his family.

“ What a wonderful man who I have no doubt received his wings this week! I have so many wonderful memories of him, and all of you, while growing up at the Methodist Church and in McMechen. A true role model on how to live life and one that all should strive to emulate. My heart breaks for the family, but elated that Bob is with our Lord!

Your wonderful husband/dad will leave a huge hole in the community by his absence. He was one for whom I shed tears when I heard of his passing. It was impossible not to like him. “ Bev, Bob and Jim- I was so sad to hear of Bob's passing. Bob was so much a part of my life growing up in McMechen at the Methodist church. We all had so much fun in the choir, and I think of those days with great fondness- especially the Christmas caroling and parties afterwards. Bob's service to God through his church activities set such a good example for the next generation. May he rest in eternal peace with our loving Savior.
