“ I remember Robin from Wheeling High School. I was a senior, he had graduated. I bought my first car from his dad. A really nice 1960 Chevy Impala Convertible. White with a black top?

“ Dear Sue and Family. I am so sorry to hear that Robin passed. I grew up next to Robin, Glenn and Shirley, you couldn't have better neighbors. They took a liking to me and I felt the same way about them. I helped Glenn and Robin on many projects around the house and Shirley always made us lunch. I learned a lot from them. RIP Robin.

“ My husband and I have fond memories of Robin. We met him in the 1980's at Piedmont Lake. Our boat was docked right next to his, and it did not take him very long to turn us into avid muskie fishermen. Robin was passionate about everything he did, and was very particular in all facets of his life. But above all came family. He was a devoted caregiver when called up to undertake that role in his life. There is one thing I know for sure--the Pearly Gates of Heaven will shine like never before. Rest in Peace, Robin. “ Robin was always polite and kind. I pressure washed his boats several times at the Piedmont marina and remember how appreciative he was. He liked talking about and taking special care of his cars. I'll certainly miss this fine gentleman.
