“ Darren and Family:
I am so sorry to hear of the passing of Betty and Bear. I have fond memories of them both - they were always so nice to me and it was a pleasure to come to their beautiful house and to know them. They both always had a smile, and Bear always had a joke; I made it a point to see Betty whenever I was in Witchey's for a quick "hello."
My condolences to the entire Cook Family.

“ Pap could never remember my name but he always made me smile. Granny was so kind, a great cook, and a shining light. I am so thankful to have grown up with Lindsey & been able to know her awesome grandparents. I lost mine at a young age, so it was nice of my bestie to share her Pap and Granny with me. I hope they are resting peacefully and I am sending my condolences to the entire family.
