“ I knew Ruth for a short time, but in that time she was one of the kindest, caring, most concerned about others, warm-hearted women I have had the pleasure of knowing. My condolences and heart go out to the Byers' family.

“ To the Byers' family - I worked quite awhile ago with Ruth at GKT in the early 1990s. Ruth was just a lovely human being. When she lived in Hannibal, Ohio, I would give her a ride work if needed. When she moved to Wheeling, she invited me to her new home to see it (and of course, it was quite lovely). She would always speak when I saw her around town or have to drop anything off at GKT from the office where I work now. I am sincerely sorry for your loss and for the horrible disease to which she was plagued.

“ Dear Tom and all of Ruth's Family,
Our hearts go out to you all at this time. It always warmed my heart to see her on a commercial, knowing that she was someone you could truly trust. Beth, I so remember coming in after work at the bank to see something new your Dad had built in one of your bedrooms. I especially remember Ruth helping give me the grand tour. I think about you all every time I pass your home in Schubach. Tom, you have shown us what true love is all about. May God grant you peace as you remember your dear wife, mother, daughter, sister, aunt, and so much more. God be with you all as you lay your dear one to rest.
