“ Adam I spent a some our childhood together and much of out high school years living on the same street. Sad to say we grew apart in our 20s when I left WV. Adam was good person, I wish life would have been better to him as the world is a colder place without him.

Adam, you where a good friend. I hope you find peace where ever you ended up.

“ Adam and I were good friends. He was always up to hang out and do something goofy with me and Parrish brothers. We had a lot of good times and memories together. He had a great sense of humor and could always make you laugh. I remember his smile more than anything. He will be deeply missed. Rest in peace good buddy.
