“ *Anita, Shelley and family,
My prayers and love go out to you. My memories of Butch are very fond ones. He was such a good friend to my Mom and Dad. I always admired him so much for the diligence he had in keeping his yard so "manicured". I will never forget the joy my Dad got from talking with Butch on the day he passed. My Dad had not been outside of the house for quite some time, and God placed you, Anita, and Butch there for Dad to see and talk to. I am so very thankful for that. In times of grief it is hard to see past sadness. My prayer for all of you is that the blessed memories of your lives with Butch, as husband and father, will live in your hearts and bring comfort and peace. May God wrap His loving arms around you and with His grace allow you to lean on Him. He tells us to cry out to Him in these times and lean on His understanding not our own. Please know my thoughts and prayers are with you all. I know that Dad, Mom and Butch will all be waiting to dance with us in Heaven one day. Until we meet again, Butch, rest well.*

“ Very sorry to read about Butch in the morning paper. He was one of the Good Guys I worked with at UPS. Hopefully he enjoyed his years of retirement from the brown shirt days and as a good UNION man appreciated the only thing we ever own in life is TIME. My thoughts and sympathy go out to all of his family and many friends.
