“ *Dear Alberta's family,
We are so sorry to hear of your Mom, Grandma, Great Grandma, and Sister's passing. I think I've know Alberta all my life. We would always park somewhere there on her street and walk to the corner to see the parade on Friday night of the carnival. I remember hearing Mom and her visit over the fence. I remember always wanting to see what Christmas decorations she had up even when I was young. Her home always looked so nice. Then I remember when you started school Maureen and what a help she was as a room mother. Then each of you grandchildren as you came to kindergarten at Sardis. She was always sending in something special or helping out at school. She was so proud of you all. I remember in later years catching up on all of you at Wal Mart when she was working. Our thoughts and prayers are with you all as you celebrate her life and hold dear the memories you have. God bless you as you lay her to rest.

“ Alberta was always fun, full of energy, and had such a love for her family. She could cram 26 hours in a 24 hour day. Always busy with her family. She was my Brownie Scout leader and the mom of a very good friend, (Myrna). I always loved visiting their home and watching this beautiful woman and her busy hands. You live on in my memories and in my heart, with much love.

Very sad to hear of Alberta's passing. She was a beautiful lady, inside and out and a big part of my childhood memories. I will always remember my Grandma Sarah and Alberta chatting by the hedges while us kids were playing in the yard or on the front sidewalk. And the delicious cookies she used to invite me over for. A wonderful, kind woman who will be truly missed.
