“ Pancho was by far one of my favorite coaches at JMHS. He is also one of the best people I have known in my life. I am very sad. I hope in heaven he forgives me for flushing the toilets when he and Coach Zatezalo were in the shower after basketball practice. Christ Peace Coach!

“ Flores Family

Vic and I were saddened to learn of Ponchos passing. Poncho and I were competitors while he was at JM and I at Brooke. I considered Poncho not just as a competitor coach but also as a friend. He was a very good coach but more importantly he was an even better person. We are sorry for your loss and the void that will be there but he will always be there in your hearts and minds just like he will be in ours. He will be missed by all of those who he has touched.

Please accept our condolences and prayers.

God Bless

“ *Sending my deepest sympathies to Sonia and Pancho's family. I've known Pancho since his time at Wheeling Central where we played Basketball on the championship 57-58 team together. I was able to keep in touch with him over the years when he brought his JM's teams to gyms near me. Pancho was a great point guard, Coach and human being. Rest in peace my old teammate! God Bless the Flores family!*

“ *He was not just a wonderful coach and teacher, he was a better man! He cared about JM High school. Grand View Park and everyone he came to know. He always had time to talk to you when you ran into him. Making sure to ask how everyone in your family, by name, was doing. Came to see our Band play ever chance he got. Helped me in so many ways when I began announcing for the JM basketball games. I will be forever grateful for knowing this man! He will be sadly missed! My thoughts and prayers are with Sonia, Pancho and all your family. Heaven just got better!*

“ Sonia and Pancho, so sorry to learn of Pancho's passing. I haven't seen either of you for about 2 years. I hope he was not suffering. Now he and Dave can meet again and talk all the coaching talk they desire. Prayers are being sent your way. “ *It's been said, "Athletes die twice. The first time is when they retire from sports and then when they leave this world" Hopefully, Pancho got all he wanted out of both these "lives", and left this world knowing he made this small part of the earth a better place for all the lives he touched both on and off athletic venues over these 9 decades. Like many coaches and teachers Pancho Flores helped more kids than he ever knew. My thoughts and sympathy go out to all of his family and many friends.*

“ I will remember Coach first at JM basketball games. He always had a moment to say Hi and Thank Us for being there. He would always stop to talk and check on me and see how I was doing. No matter where we were if you saw Coach he had time to say Hi and chat. When he stopped in at DiCarlos he would stop and talk. Then these past few years Teri and I would run into him at the Downs and we'd talk about our Luck.

God has a Great New Coach on his team. Marshall County will miss you Coach.
