“ *Matt and Allena, I am so sorry for the passing of your father. He was good friends with my friend John Whittington. Even though I didn't know him well. I remember you Allena for all of or most of our SADD meetings that you brought in Subway for us. I really appreciated it.*

Elmer and I had a friendship all the way from 2 second grade through high school. He was one of the first town'ies I knew when we both played baseball, mostly on the same team for years. Sorry to hear of his passing and my condolences to his family.
