“ Bill, Miriam & Family My Deepest Sympathy for your great loss. Aunt Edie & I had a special bond and I wish I was closer so I could have spent more time with her. But even with miles between us we'd have such special talks that I'll always remember. I'll miss her singing and her cute sense of humor. I'll miss her uplifting words of Faith & praying with her, she was a true soldier of God. She never judged me, she just loved. She was never jealous, never spoke harsh words, she was patient. She was so strong and all the trials she was put through just made her a better person & a stronger testimony . To me she was not only a Soldier of God but an angel. She'll forever be in my heart & I know we'll once again have our talks when we meet on the other side.

“ Dear Bill and Family,
Our thoughts and prayers are with you at this time and in the future. Your Mother, our Aunt Edie is very dear to us. As a child, teenager, and beyond I will always remember with love all the wonderful times we had together. Very young, I remember going to the store with her. She would come in her car with Grandma Willetta, and pick up Mom and I and then we would go pick up Ida Brake and go to the A & P in New Martinsville and get groceries. As I got a little older, I remember getting to spend a day at the old house and help her with "Spring Cleaning". There were so many things to look at that I am not sure how much we really got done. Lunch was always special. Especially so when your Dad was home. She taught me not to be afraid of "Buddy". as I was so scared of all dogs. I will never forget the Sour Cherry picking days either. Then the joys of the new house and all the special times there. We especially remember the Christmas trees that your Dad cut and the beautiful ornaments we got to hang. I remember Edie teaching me how to shop. As I got older we would go farther away to shop. She would put things in the cart and carry it around awhile and then put them back one at a time until all she had left was the things she really had to have. She said that it cut out a lot of unnecessary expense that way. I still do it at Sam's Club and think of her everytime. Her roses were a joy to her and we all love them today because of her. She gifted me with so many special gifts over the years that I will always treasure. There are so many things that come to mind, but the most special is my remembrance of her at church. She was always there first in the morning. Starting as early as 1965 I remember helping her cut cheese every single Sunday. It was so fun to know that the knife was going to make a little mistake and we would get a sliver of cheese to eat. She taught us in Sunday school, she was a beautiful singer, and church to her always came first. What a blessing she has been to us. We will miss her, but are so thankful she is at rest with our Lord. God be with you all. Love Bart and Joyce
