“ My thoughts go out to Angela's family. We worked together at the care center. She was a really hard worker and kind person. I hate to see that she passed. May she rest in peace, prayers to her family.

“ These past few days (or weeks) have been hard as I watched from a distance how sad illness and the passing of a loved one is. Often too quick. I keep looking at pictures of good times, and reliving memories in my mind. Some day I will get out the videos and watch them. Yes, cousins for sure but Angie was the sister I never had, so I treated her like my little sister. Oh, the things we did and the fun we had. I was happy to share my life with her, from childhood to adulthood. I have always loved her and will always miss her. May she rest in peace.
