“ my dad meant everything to me.i miss him more everyday. i know memories and love will never leave but i sure wish he were still here with me.my dad was my protector the person i always went to when nothing was right and i wanted to get away from the world, i knew i could go to my dad because he never let anyone or anything bother me,but i was raised to be strong and though i wasnt in the military it sure felt like it as a kid.i am proud and glad i was raised that way so thank you dad for everything.you will always be the greatest and best man i have ever known.
