“ Anice was a joy to be around. We shared many years of friendship that began as coworkers at New Martinsville Healthcare Center and continued more than 25 years. Anice was many wonderful things but first and foremost she was a loving and devoted Mama and wife. Her family was her true passion. Anice enjoyed her work and the population she served. I am sad to learn of her passing and send prayers of comfort to her family.

“ I will always remember the good times we had at work. She was a great, fun friend, who was always there when there was a need, whether it was one of us, a family, or a resident. My heart goes out to all of you
