“ Nan was always there for me and growing up next door is something I will forever be thankful for. The only thing that keeps my heart from shattering is that you are with pap now. I know he has been waiting for her. Rest easy my beautiful nan 💕

“ We had such a wonderful relationship. We would just look at one another and laugh. The love between us was huge! Her last 5 years were such a struggle, her strength was immense. I tried my best during that time and she knew that. I loved her more than anything in the world.
