“ I have so many fond memories of my Uncle Arden. The many years spent with him were some of the very best! Many of my precious memories were spent as a child with You, Wernie and Memma <3 All the days and nights spent with you...playing and putting puzzles together for hours, drinking RC and eating bologna sandwiches while watching an old horror film (the really good and scary ones) and then scaring me afterwards. Always picking on me and my siblings :) Going to church and out to eat at Elby's every Sunday and Wednesday. Going to the Mall, Marshall Dairy for ice cream, all the wonderful vacations, helping me early morning every Saturday delivering newspapers and then breakfast at Elby's afterwards counting cars and guessing where they were headed....so many more wonderful, special memories. I'm not sure I said "THANK YOU" enough for everything you have done for me and all of us! I hope you know how much we all love and appreciate EVERYTHING!!! I hope you know how very special you are to each and every one of us!! Rest in Peace. I'm sending you a big hug (((HUG))) and give Wernie and Memma a big hug from me too. I love you and will miss you more than words can say POPS <3

“ I have many many fond memories of Uncle Arden. He was one of a kind. They don't make them like this anymore. He helped raise me, my siblings, my mom & her siblings, my sons, niece & nephew. He was mostly famous for picking on people. He was always content & had an inner peace about him. He will be so badly missed! My oldest nicknamed him "Pops" & I'll never forget the smile on his face when this first happened. We were all so blessed to have him in our family for so many years! ❤️

“ *Sitting outside watching the sky light up tonight I can see heaven is greeting their new angel with a show. Either that or sarge is taking some selfies in the sky. On behalf of all your friend and family at young's rest in peace, you will be missed.*

*Oh my, Nathan, I never gave that a second thought. My son had me come downstairs because we couldn't figure out what that was. It scared me at first until I realized it was lightening. Now, I know exactly what it was - it was probably right after his stop in England. What a beautiful tribute! Thanks for taking care of our Sarge!*
