“ I drove with Arlie at Whiteside's. Everyone that knew Arlie would tell you he stirred just a little bit. Arlie and I had a few heated talks, especially about politics, but none broke our friendship. He didn't get to visit his daughter and her family due to covid restrictions but had his ticket and talked often about going this year. My condolences to the family. Miss you my friend and adopted brother.

“ Arlie was such a big part of our whiteside family and will be missed very much. I worked closely with Arlie the last few years as he was one of our drivers. All through his battle with health issues he was so anxious to work and get out on the road with his fellow driving buddies.
He always brought me fresh tomatoes as he knew I loved them as he did. I will think of him always remembering that generous smile
My sincere condolences
