“ *Jean and Family*

What a great guy Arlie was. I am remembering a few years "back in time" a few girls got together at Halloween and started out from Arlie and Jean's house for some fun. We had just rounded the turn out from their house, talking away, and noticed something coming up from the ground waving arms ghostlike. Needless to say, we all scattered only to have Connie shout..."wait, wait, it's Dad". Arlie was rolling on the ground with laughter at the fun he was having at our expense. He had a great life and will be missed so very much! You have my sincere sympathy at your loss. Always in my thoughts and prayers.
