“ Devin, Lisa and Cody,
I remember so many times visiting all of you. Enjoyed playing in her bedroom and helping her some with homework. She was so intelligent. Loved her showing me new items she got. Spent a lot of time on her bed talking. Playing with several things. Time in kitchen and outside. Visiting the cows as they came up. Also, lots of time playing with both Cody and Ayla at their grandparents. We would play with cars and games on the floor inside. We talked on the porch. The dog would follow us around. Great memories.
