“ Rick, It made me sad to hear that your mom passed away. You were there with her through some tough times. As a mom, I know that is the most important thing a son can do. You're the best. Janet

“ Rick and Billy, I am so very, very sad to read of your Mom's passing. Marcie was a wonderful person. I am ashamed that I have let miles and years part us and that I haven't been in touch. I think of your Mom often and remember the "good old days". She was a very special friend and will always be in my memories. You boys will be in my thoughts and prayers.

“ Dear Bill and Rick, I was so sorry to hear of Marcie's passing. It has been many years since she and I had the opportunity to talk but she was often in my thoughts. Some of my fondest memories are of sitting around the kitchen table at your house on Jefferson Ave playing cards and talking. Funny, after all of these years she called a week or so ago, I wasn't home but she spoke to Don. You and your families are in our prayers.

“ To the Family of Marcie. What a wonderful person she was. We met Marcie during a recovery period at a local health care facility. She brought such joy to her roommate and surroundings. She touched our heart so dearly, I can only imagine how deeply she will be missed by her family. Remember and cherish the memories and good time. I know we will miss her phone call and notes.
