Tribute Wall

“ *Dear Family,
I grew up on the Hollis Kemp farm next to Hunter. My parents knew Leland, Elaine, and Lizzy Gatten very well. My parents had fond memories of the Craig and Gatten families. Barbara and my father corresponded and exchanged Christmas cards for many years. Your grandmother phoned me a couple times to check up on our family and see how the sheep were doing. She was a very sweet and caring person who loved each of you very much. I also realized she loved and served the Lord Jesus Christ. I know it would be her desire to have her family and love ones serve Christ, so you that you could all be together in heaven some day. What a lovely photo of such a loving person.*

May God Bless and comfort each of you,
