“ Dear John and family, I just happened to see this obituary of Barbara and was saddened to learn of her passing. It has been many years since I have seen the family. I remember talking with you when you visited my brother, Phil. I am so sorry for your loss and will be praying for you during this time. You and Barbara were a handsome couple and always so friendly and had a special smile.

“ My prayers and thoughts go out to her family. I knew Barbara and Diane because her mother was our next door neighbor for years. I remember when Diane would come over on Saturday mornings. My thoughts are with the family.
