“ Both my sons had Mrs. Key when they went to Kindergarten, and just loved her. In fact my youngest son, started calling her Mrs. Lovely!

I'd run into her over the years and she always would stop and talk with me. She was a dear kind lady. Sending prayers to her family. Mrs. Lovely will be missed.

“ *Our family had the joy of being Barb's neighbor, for years. She was truly a wonderful person. Our family's heart goes out to her husband, children and grandchildren. The grief we feel in her absence is heavy, but must pale in comparison what you are feeling. We send you our love and prayers in this sad time. The happy memories we have of her are comforting. May she rest in peace, and welcome us all into heaven when it is our time.*

Mama Key was a wonderful mom to all of you and many others, including me. I will miss her laugh and the way she used to tease me. “ *Teresa, I'm so sorry to hear of the passing of your mother. I never met your mom in person. But in a way, I feel like I knew her Because of the stories that you would tell about you and her and family stories. As well as when you and I would talk on the phone. I could hear her in the back being funny. Joking, she always seemed to be happy..R.I.H. Mrs Key*

“ I am so sad to hear of her passing. She was one of my favorite people I ever had in school. I had her for my class at Washington Lands in 1992. I remember so many amazing things about her! She was kind and so caring. I have spoken about her recently when reflecting back on those who inspire you and the fond memories that were made at such a young age. She was truly such a kind loving soul to each of her students.
