“ So sorry to hear that our dear Aunt Barb has passed. She and my Uncle Charlie spent Christmas eve at my mother's (Phyllis Fonner) with my entire family. We enjoyed many steak fries together along with countless family gatherings. I know how much she missed my Uncle Chuck and now their together again. She had a feisty personality and called my husband her teddy bear. I'm so happy that I got to see her in the hospital a few months ago and I will miss her. We have a lot of good memories. Kimmy loves you Aunt Barb. Until we meet again.
