“Michelle - your Mom was so great! My brother Jim & I really looked forward to seeing her whenever we made it back East. She was always cheerful, wise-cracking & a complete delight. When Jim, Ron, Bill & I were younger and out on the farm, I remember all of Vrete's sisters & my mom Marge, sitting around, probably working on a quilt, & sharing stories about Barbara Carole as a child, then all laughing at some of the things she said or did (none of which I can remember specifically I'm sad to say) but she was most definitely a memorable character in the family. I apologize that this is so late in coming, but I'm sending a donation to the animal shelter in her honor. She was most definitely one of a kind, and she loved you kids so much. You gave her great joy. Bless you - cousin Mary Ann (Loyal's daughter)

“Michelle it was a pleasure to know your mom. Her smile was very nice to see. I enjoyed our talks. She and I had so many memories together. She talked so much about your daughter and loved when you both would come to visit her. It was something she looked forward to seeing both of you. One thing she enjoyed was talking about was all of her photos on her wall. They needed organized on her wall so certain ones were together. Especially her animals which she loved had to be together. Each photo she would look at and talked about several. She often would confuse me with a relative she had in Moundsville by the same name.
