“ I am so surprised that Barbara died. I was not aware of it until today, Jan. 9, as I was on line looking for information on someone else. Barbara was a long time friend growing up. She graduated with me, MHS Class of 1953. She was a very smart person and a good Christian. I'm glad to have known her but very sorry to have missed the obituary re:visitation. She will be missed . May God Bless all of the family.

“ Barb was full of wry humor, sarcasm and wit. I enjoyed spending time with her over the years. One memory was the time we managed to get her out on my pontoon boat at Buckeye Lake a couple summers ago (when the lake actually had boatable water levels). I think she had a fun time with the family. I am unable to attend the services due to business travel on Monday but send my regards and condolences to Carol, Tammy, Beth and all. Sincerely,

“ I will always remember your mom gathering us up in her car on those bitter cold mornings and taking us to school. She was a kind neighborhood mom.

“ Barb was a loving family member and was very good to her daughters and grandchildren. She really had love and sympathy for all furry family members. She loved watching sports on tv and this past tuesday she and I sat quietly and watched replay of last years' OSU bowl game. It seemed to make her smile. She will be missed. She touched many lives. Pictures from Christmas day. Happy to have spent some of her last moments on this earth with her.

“ *Barb loved her family and her pets. One of my favorite childhood memories was making cookies with Tammy in Barbs big kitchen!* ”
