“ Barbie you will always be my best friend. I know you were not afraid to die, you said Cindy would greet you there. Yesterday was the second worse day of my life. I can see you Dancing with the Angel's. You're so unique, you always thought everyone should be given a chance to tell their story ,you had empathy for all people ,Rich,Poor ,slow or intelligent.
You know we all love you. Thank you for being such a wonderful friend. Always having my back as I had yours. Letting me be apart of your family, and loving my children so much. Meet me at Heavens door .

My Sister in my family since I was born. You Donna and Terri were always there for me. I remember as a little girl you told me the story of "The Big Toe" sang Doris Day to me and let me brush your long hair. You were at every Holiday, Wedding, Funeral and you worried about your giggle when you cried and I would stay by you. We all loved you so much! There's no one who showed love and kindness more than you! Give everyone my love and enjoy the choir! Love you
