“ To Michael, your Mom & Dad & all your family,
I am so sorry for your loss. I never had the pleasure of meeting Barbe but I can see she was a beautiful lady & well liked. I know you will miss her greatly but am so glad you have many good & fun memories of times together. You were very good to her throughout her illness Michael. I know that will be a comfort to you. Mr. & Mrs. Estep, I can't imagine how hard it would be to loose a child. Call on God for He is near the brokenhearted & the greatest comforter. My heart goes out to the whole family with deepest sympathy.

“ Mike and family,

From the Joseph Family formally of Bethlehem, I send our deepest sympathies. I was so sad to read in the Wheeling paper about Barbe passing, I remember starting first grade with her at Bethlehem Elementary School, and moving on to middle school and high school together. She was one of the nicest people I had ever known and we shared the same birthday month of September. Mike I know just how hard it is to lose a sibling, and so appreciative that you came to my brother Gregs' memorial dinner last November at Olgebay. I will never forget that you made that effort with Kyle eventhough you didn't feel well yourself. I only wish I were closer and able to attend the service. But please know that my heart and thoughts will be with all of you. My shoulders to lean on and my ears to listen are just a phone call away if you need, and my home here in Scottsdale Arizona is always unlocked and open for any of you, anytime. I would welcome you with open arms. Barbe was a wonderful person and made a difference in this world with all who were privledged to know her, in the past, as well as throughout the years to the present. My prayes will go out to all of you and Barbe.

“ When i 1st met Barbe, 20 yrs ago, I thought Don had such a beautiful sister. She was the most gorgeous thing. She had thick long hair, she was thin but shapely wearing a mini skirt and high white boots. But the best part was her high energy & sense of humor. It was sad to see that drained out of her these last few days of her life. She has left a big hole in the families heart and my heart cries for them. Stay well, family, & stay healthy, Barbe needs some time to be at peace before she prepares a place for you in heaven.

“ Dear Bud, Doris, and Brothers,

I was so hopeful this last procedure could have placed Barbe on a road to recovery. Even though we were not as close as adults as I would have wished, I don't remember a time in my life that Barbe was not "my cousin from up north." She radiated such a beauty in life. This is a battle she waged for as long as I can remember and she did it with such grace and poise. Our loss is indeed heaven's gain. I will be praying for you all as you go through this time of grieving. May God watch over you as you tread the "valley of the shadow of death." God bless, Jack(ie).
