“ Dear Pat, Paula and Tom and families. I was at an event in Mt. Olivet a week ago when fellow "Tabbies" Bunny Cunningham and Carolyn Young told me of your mom's passing. Like so many of us "younger" Green Tab employees, I, too, was one of your mom's students. I will never forget how much we laughed at pasting up the spread for Gaudio's Supermarket, with glue pots and layout rulers and all that stuff from a bygone day. She was a great lady who loved life, loved all of you deeply, held a deep faith in God, and who left an impact on everyone she knew. I am blessed to have known her and worked with her. Know that I hold you all in my thoughts and prayers. And may the same warm memories all of us share about your mom be memories that will bring you through the times you're missing her. God bless. “ so sorry to hear of your loss, I was 17 years old and started working at the Green Tab and she trained me, such as sweet person, still can remember her laugh. She talked about her family and you could hear it in her voice how much she loved them and Paul. She and the staff at the Green Tab made my first work experience a great one. I offer my deepest sympathy and prayers.

“ Tommy, Paula & Patrick: You may not remember me - only the name (Cissy). I lived next door at 2317 Center Street for 20 years. My mother continued to live there for another 10 years until she died. Your parents were so good to me as I was growing up, and were always so gracious when I would return home for a visit and would stop to see them. I have been in St. Petersburg, FL for the past 35 years - but never forgot Paul & Theresa. What wonderful people! May God comfort all of you & your families in this time of sorrow.
