“ Keith and Family, I can't put into words how very sad I am and I can't imagine your pain but as I told you (Cindy) I talked to her just Thursday and she told me how proud she was of her family and just how blessed she has been to have such a great family. We were going to make plans this week to meet halfway and the 4 of us to have dinner...we laughed as we always did whenever we talked...I told her she missed her calling she should have been a stand-up comedian and she said " well, I would have a problem with the "stand-up" part so there goes that career" and we laughed. I know she had a lot of stars in her crown so I am sure she didn't have to wait in line at the pearly gate...I won't say goodbye I will just say "see you someday at the Family Reunion and give everyone a big hug, and by the way thanks for being such a great cousin and friend and as I said Thursday I Love You"
