“ *Dear Monica and family,  
Bryan and I have spent the last couple days reliving the coming of age years of Bernie and Bryan. They had so much fun and became life long friends. I will never forget the vacation to Susanville Monica planned as a surprise for Bernie. We all had such a wonderful time. Bernie would visit when he was in CA for business and always came with a big stuff animal for Mackenzie. I remember a Winnie the Pooh about her size. Always so kind, he loved his family and friends deeply and he will truly be missed.  
Love Karen*
