“Bernie worked with my husband, Walter "Jim" Minder at Berry Supply. Bernie was a much respected and gracious gentleman as I remember him. Once I was talking to Bernie while my husband was selling a kitchen to a customer. I said something about Jim leaving doors and drawers open as he talked to the customer. Bernie said, "That's why we follow behind him and close everything up." He never said a word to Jim about what he was doing and neither did I. Bernie and I just smile at each other if we saw Jim demonstrating the cabinets.
