“ So very, very sorry to hear of Bertha passing. She was an important part in my life. Have so many special memories when in high school and after, being Sondra's best friend. She was an amazing lady and so glad I was included in her Parks family. My sincere condolences to her family. One of my favourite memories was she tried to teach Sondra and I to make gravy. Tasted good but you had to spread it with a knife! I can still hear her laugh. Rest in peace sweet lady.
