“ Although I have many fond memories of my grandmother, the ones that will forever bring a smile to my face are when my grandmother and mother traveled to Miami Florida to visit with me and my first born child. Grandmother was so excited to hold her first great grandchild and to tour the Miami area. It was a joy to watch as grandma enjoyed soaking up the Florida sunshine by the pool and visiting the Florida keys. We also got a chuckle listening to her converse with a few of the Hispanic workers at the theme parks. Grandma will forever hold a special place in my heart and memories. ❤️❤️😊
