“ I want to send my sympathy to the family of Betty. About 7 years ago I discovered while working on my family history that Betty was a cousin of mine through the Francis family. Since then I made a point of seeing her when I was in the Court House. I knew she also knew my Dad since he was a long time lawyer just down the street. She was a lovely lady I was privileged to get to know. Laurence M Evans II

“ Dearest Betty,  
You will be missed by so many. I think of the many conversations we have had, good, bad, funny & sad and it all comes back to me as how I will remember you... your caring spirit of everyone, your contagious smile, but mostly your ornery giggle. I am sure you and Delma are back to being the ornery girls of the stories you shared with us all. Your beloved Paul awaited you with open arms and I know the peace you have now. I often told you" you must be part cat with 9 lives as you had bounced back many times from many misfortunes, God needed you this time for greater things. I have never met anyone with the work ethic you had, many years of knowledge has now become history. God bless your family, many thoughts and prayers coming for you Rod and extended family. Fly high with the Angels Betty 🙏❤️🙏
