“ *Mary Ann and family. I was so sorry to hear about Betty. She became one of my best friends while working with her at the bank and after she left. We had some great times together. There was never a dull moment with Betty around. I really missed her after she retired and left Ripley. I know you all will really miss her. My thoughts and prayers are with you and your family.*

“ *Mary Ann and family. I am so sorry to hear about Betty. She was also so sweet, smiling all the time and wonderful sense of humor. I knew Betty from her years at the Bank of Ripley and also from when I worked with your Bill at the Jackson Herald, and of course through Donnie, who was 2 years ahead of me in school. Such a wonderful family you were blessed with.*

“ *Mary Ann,
So sorry to hear about Betty. A customer told us today of the death of your mom. I began my banking career at the Bank of Ripley. Your mom kept a smile and put smiles on others around her. I'm now back at City National Bank(old Bank of Ripley) I run across signature cards every day that your mother opened., We will keep you in our prayers.*

“ Dear Mary Ann,
Betty (and Bill) were much loved by the giggling teenage girls that kept them awake so many nights. I am so grateful that I was able to visit her again while you were living in Florida. She still had her wonderful sense of humor that I always adored. I will miss her. My heartfelt condolences to you and your family at this difficult time.
Love,

“ Aunt Betty was a wonderful woman... I will never forget when she tried to teach me how to crochet and I have to left hands, she had patience with me for days but we gave up because there was no teaching me. I lived to see her and Uncle Bill come to grandmas. I am so sorry for your lost. God gained a wonderful angel today
