“ 37 files added to the album LifeTributes

To lend a hand, to understand  
And help make things alright.

Red hair, a flair for telling tales  
She lives her family so  
I always giggle when I hear  
Her yarns from long ago.

Brothers, sisters, dates and dates  
Uncle George and Tini too  
The Elks, The Echo and The Club  
She has so much to do.

All through the years, laughs and tears

“ Toni, I am so sorry for your loss. You may not remember me from childhood. You are one of my memories from living on Fostoria Ave until I was four. We lived below you in the now gold house. You and I played together. I remember your mother as a kind lady. Thoughts and prayers for you and yours. - Diana Young Carroll
