“ Thank you for the gift of love Grandma, now you're sharing it up above. You had many things to say. All in a caring way. You always saw good in everyone, No matter what they've done. You were always the one we could all lean on. Even though it must have felt like a ton. You were always the strength of the family. Now we must let you rest calmly. As we say goodbye, as tears roll down our eyes. I know your place in heaven has a good view. Because you're telling God, I need to keep an eye on a few. I know you will always be in our hearts and mind. So Grandma, I must go, but I'll never forget you're one of a kind, and please give our Heavenly Angel Erica a great big hug for us. We Love You Grandma! Jeff & Amy

“ *Delores was a beautiful and loving lady. She loved everyone. There was never a time when you went to her house that she didn't greet you with a smile and offer you something to drink and eat. She had a heart of gold. She always enjoyed yardsales and cookbooks, I am sure the angels are rejoicing at her coming home. I love you and miss you my beautiful lady.*
