“ Dear Donna and Family, Though I hadn't seen Aunt Betty for a while, I have fond memories of her, especially when we were little and our families would get together. Oh,if we could only go back in time to when we were youngsters and our parents were young. You're right. Not even death can separate us from our loved ones. I am much saddened by your loss because I am a part of her too. Love and miss you, your cousin, Roberta Burge

“ I hope you all know how sad I am that you are going through this difficult time. Your mom has been my neighbor for a very long time and believe it or not, I will miss her. If there is anything that Jack and I could do for any of you, please let me know. I am truly sorry for your loss.

of the trees as you walk down the street, from
the smell of certain foods you remember, flowers
you pick, the fragrance of the boat, she's the cook
hand on your face when you're not feeling well,
she's your breath in the air on a cool winter day,
she's the sound of the car that tells you to stop,
the color of a red bow, she's Christmas morning,
your mother has inside your laughter, she's the
place you came from, your bed, home, and she's
the road you follow with every step you take,
she's your first love, your first friend, even your first
enemy, but nothing on earth can separate you.
