“ *I'm saddened by the loss of an old friend and I pray for peace to the grieving family who Betty leaves behind. I knew her in the 1980s as the matriarchial heart of our gospel band. As we traveled innumerable miles through Appalachia, from Ohio through New York, Betty's welcoming, indefatigable smile and compassion never wavered. Together, Betty and Kenneth left us with such wonderful memories! I'll never forget that big congregation up in Ohio that erupted when we started an upbeat medley at the end of service, or the time we spotted a man actually taller than me (6'4") at a Sunday buffet. ... well, I guess ya had to be there. I've since played in rock and country bands all over the globe, including The Philippines, Japan, Hawaii, even Afghanistan, but I never experienced more heartwarming, lifelong memories than I catalogued with Betty & Ken and the band traveling in that old silver bus. Well, the band and baby Kristen, that is! Through it all, we all knew unequivocally that we could count on Betty's innate diplomacy and kindness. It may be her smile i recall moat vividly. We'll miss you, Betty. May the Good Lord welcome you with open arms, and may we some day meet again on that golden shore.*
