“ Dearest Frank, Pam and Greg and Gary and extended family members: My heart is very heavy after learning of Bev's death. She was a kind, affectionate and loving gal and I know that she shared such a special interest in the lives of many unfortunate animals. Pam, I know how much you loved her and that she was your very best friend and running partner. I hold you and Frank in my heart and know that you will remember the very funny, comic side of her. She made me laugh so many times. May she greet us all with open arms when we see her on the other side.
