“*Delilah and Family, I was surprised and deeply saddened to hear of your moms passing. Auntie Josie was incredibly loving and a generous hearted person. She possessed a very positive outlook on life and a good sense of humor. I really enjoyed all the pictures she shared with me through the years and her passion for photography. She gave me through her stories and pictures of the past, some precious glimpses of my own deceased mother. My thoughts and prayers are with you, your dad and little Patrick. “ *Delilah and family,I am so very, very sorry to hear of Josie's passing. She was so sweet and interesting. I loved the few times we were able to talk and visit for a little while. She was vivacious and had such an innate curiosity and wonderful laugh, and she had a way of making you feel automatically comfortable with her. I hope that you will find some comfort in the fact that she so positively touched so many people. Much thought and prayers for all of you as you go through this most difficult of times. May God bless and keep you all!Much love,Shirley*
